Singleton
West Sussex
PO18 0HP**

**Telephone: 01243 811679
Email: office@singleton.school
Headteacher: Mrs Theresa Smyth**

June 19th 2020

Dear Parents/Carers,

It was lovely to see familiar faces popping up on Zoom this week. Thank you so much, if you were able to arrange for your child to 'catch up' with their class teacher. I know the teachers appreciated this opportunity to see the children.

Zoom sessions next week will be during the school day to allow the children to connect with children from their class. The code to log on, will be sent via email.

Willow Class **Y1/R**: Monday 22nd June **from 9.30-9.50am**

Beech Class: Tuesday 23rd June **from 9.30-9.50am**

Oak Class: Wednesday 24th June **from 9.30-9.50am**

Willow Class **Y2**: Thursday 25th June **from 9.30-9.50am**

NOTE: Beech Class Zoom Teacher Catch up with Mrs Nelmes : Tuesday 23rd June from 3.15-3.45pm

Year 6 Children

At this time of year, children would normally be going off for a transition day to their high school. At a locality Headteacher Zoom meeting yesterday, I was able to hear how secondary schools are planning creatively to manage transition.

I know that schools will be in touch with families directly over the coming weeks, if not already. Do check your child's future school website for any communication, support, advice, virtual tours etc.

Children not in school

The next bag of Home Learning will be ready collect on **Thursday 25th June**. Please bring back all school reading books, which have been finished. There will be a yellow box for you to put them in.

If your child is in Year 1, 2 or 4 there will be a letter from their next teacher as part of our transition plan.

Please pick up the bags according to your child's surname.

A-G: 9.30 - 10 am

H-M: 10.15 - 11.45 am

N-R: 12 - 12.30 pm

S-Z: 12.45 - 1.15 pm

Message for our children

During lockdown, many people have been growing fruit and vegetables in their garden maybe for the first time. In my garden, we have five raised beds full of vegetables and best of all - strawberries! I absolutely love strawberries, especially with cream.

The facts for this week therefore are all about strawberries:

- **Strawberries are members of the rose family.**
- **just five strawberries have more Vitamin C than one entire orange**
- **there are more than 30 varieties of strawberry grown in the UK**
- **Jubilee strawberries are considered the sweetest and the tastiest**
- **an average berry has 200 seeds and it is the only fruit to have all the seeds on the outside**
- **there are white strawberries called pineberries which taste more like pineapple than strawberry**

Maybe you could:

- make 'strawberry lollipops' by dipping them in chocolate and adding a favourite topping
- find a recipe for strawberry jam to make with an adult
- make some strawberry sauce to go on ice-cream
- find a recipe for strawberry milkshake or ice cream

Home Learning Bags

Next week when you pick up the learning bag, it would be lovely if you could bring a postcard or letter you have written for your teacher and class. Your families can help you to write the card or letter if needed. We would love to read your news and share this with the class. I shall leave a red 'posting box' for you to put them in. For every letter we receive, the class will write one back and post it to you.

Song for the week

This week's song is Here Comes the Sun by the Beatles: [click here](#) to listen and learn the lyrics.

Take care and Stay Safe

Mrs Smyth and the Singleton Team.
