

Our Growth Curriculum. What we are learning in the Autumn Term?

	Willow Class	Beech Class	Oak Class
Autumn Term 1	<p><u>Wonderful Woodlands</u></p> <p>Put your wellies on and let us explore our changing woodlands, observing and classifying both plant life and animals during the changing seasons. Together we will use our map skills to identify physical features in our immediate surroundings. Along the way we will collect a range of natural objects to create designs inspired by Andy Goldsworthy</p>	<p><u>Wonderful Woodlands</u></p> <p>Come and take a walk through the wonderful woods. Use your science skills to identify living things and their habitats. How do they thrive and survive?</p>	<p><u>Wonderful Woodlands</u></p> <p>Arachnids, invertebrates, molluscs and myriad pods, hiding in nooks and beneath darkened rocks! Mini-beasts come in all shapes and sizes, come search for these creatures and let's sort them out! Find out about the lifecycle and habitats, body parts and functions of different mini beasts in the locality and beyond!</p>
Autumn Term 2	<p><u>Truly Scrumptious</u></p> <p>As the nights draw in, we will remember the significance of Guy Fawkes by becoming historians. We will take a closer look at ourselves and animals, to understand what it means to be alive. We will develop our understanding of how good hygiene and nutrition contributes to our wellbeing. Using our creative flair we will use a range of materials and techniques to create our own designs.</p>	<p><u>Powerful Planet</u></p> <p>Let's go on a geographical journey around our amazing planet exploring mountains, rocks, volcanoes and the forces that create them. Pack your maps, atlases and globes and start the adventure!</p>	<p><u>Tales of the Tomb</u></p> <p>Let's travel back 5000 years to Ancient Egypt, cruising along the Nile and entering a world of mysteries, curses and mummies. Find out about life on the river's fertile bank, discovering Egypt's physical geography and its fascinating culture and try to build your own lever system to carry water from the Nile!</p> <p>Unravel the secrets of ancient tombs, using historical sources and age-old artefacts. Find out about powerful pharaohs and grandiose gods. Become an apprentice to help prepare a body for its journey into the afterlife! Who knows what treasures you will find!</p>
