## **P.E. Monday**

On Monday 23<sup>rd</sup> November, all children in school will need to wear their P.E. kits again. I appreciate there has been some changes over this week. Thank you for your understanding with this. We sometimes have to juggle timings and dates due to staff illness.

## **Thank you**

All of the pennies we collected for Children In Need added up to £112.03 – a fantastic amount!

## **Photographs**

The children are bringing home their photographs today. Please note that the closing date for orders is **TUESDAY 1<sup>ST</sup> DECEMBER.**

## **Christmas Lunch**

The school Christmas Lunch will be served on Wednesday 16<sup>th</sup> December and it is hoped that as many of the juniors as possible will join in the meal on this day.

The lunch will cost £2.35 and can be booked and paid for directly: [www.mealselector.co.uk](http://www.mealselector.co.uk)

If your child does not normally have a hot meal, you will need to initially register with them.

Closing date for the meal selection is: Sunday 6<sup>th</sup> December.

If your child prefers not to have a hot meal, it would be great if they can bring a festive packed lunch on that day – Christmas Tree shaped sandwiches for example!

## **Christmas Hampers**

I recently emailed regarding creating Christmas Hampers as part of our Reverse Advent Calendar initiative. To put the wheels in motion for this I need to know how many hampers we are collecting for. If you or somebody you know would benefit from a hamper of Christmas food items and treats, please do let me know by Friday 27<sup>th</sup> November. The list of items will be on next week's newsletter.

## Christmas Craft Competition

Next week the children are going to create a collection of artwork for a whole school displays on the theme of Winter Woodlands. They are also going to make a Christmas Decoration for the Christmas tree.

We would like to invite children to be creative at home as part of a competition to create a Woodland Animal.

The animal will be displayed in front of our Woodland display and the judges (esteemed Governors!) will select the winning entries.

There will be 2 prizes per year group. The animals can be made from anything your child chooses! They can be flat paintings or 3D sculptures.

Names must be put on the bottom/back of any pieces so there can be no bias when judging.

Entries must come into school on MONDAY 14<sup>TH</sup> DECEMBER: NOT BEFORE PLEASE.

I hope this will provide a lovely activity to do alongside your child – during the remainder of lockdown!

## Worship: Commitment to creating a fairer world.

This week the focus has been on how we can ensure people are treated fairly and with kindness. Anti-Bullying week is a National initiative and we have been able to use aspects from this program. However, we have also used books such as: Beegu and Odd Bods, to explore how we are all different, we all matter and we all have a right to be treated well by others.

Have a fantastic weekend and take care
