Whole School News

Librarian Needed!

Our Woodland Library needs some lovely kind, helpful volunteers, to keep the bookshelves in order. We would love to find a few people who are able to spare some time on a rota, tidying the shelves and if keen creating some book displays.

Initially the children will not be in the library (COVID restrictions), but it is hoped that eventually the librarians might like to have a couple of children to help arrange the library and possibly read with 1 or 2 children too.

The more people available the merrier as a rota will hopefully help with other commitments. Timings can be fairly flexible.

If you have some time available and would like to help, please email me: head@singleton.school or catch me at the gate. You will need to complete a DBS check as you will be working in school.

Parents Evening ZOOMS

Thank you for engaging with our ZOOM evenings. I know they ran much more smoothly than previously and only bandwidth seemed to let us down at times.

I appreciate you have not had an opportunity to look at your child's learning – or indeed the inside of school for what seems like a very long time.

After the May half term, we hope to arrange some outdoor parents/carer visits, for children to share their learning, 1 class at a time. Cross your fingers for some dry weather.

Fitter by Friday

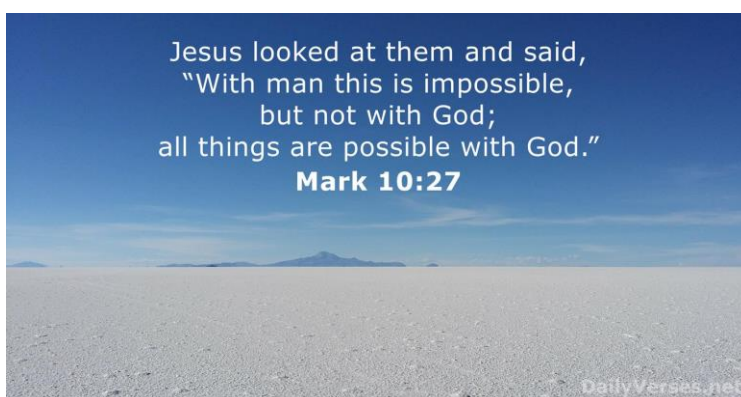

The children managed to get to the top of the hill as a community in: 5 minutes and 10 seconds – you are getting faster AND FITTER!

Worship in School

This week in Worship we have looked at The Order of the Mustard Seed and the Salvation Army. Both groups dedicate themselves to taking 'the gospel to the nations' and being true to Christ.

The children in Beech Class sat transfixed watching a video about the work of the Salvation Army in Burkina Faso. They asked me to put the link on the Newsletter so you could watch together. Beech Class was fantastic at thinking about what difference these projects had on the lives of those involved and their families? https://www.youtube.com/watch?v=wcvm_XPnSaI

We finished the week thinking about how each of us 'has the power' to take the gospel to the Nations. We do not have to wait until we are adults to make a difference – I think Greta Thunberg has shown us this!

Wishing you all a lovely Bank Holiday weekend.

See you on Tuesday for a short week but always with plenty to learn.

Theresa Smyth and the Singleton Team.
