

YEAR 1
WORKING AT EXPECTED
STANDARD

Write a description of Mr Bear.

Spelling is mostly accurate (because, was, then, soft). There is evidence of use of pluralisation (animals). Words in the Y1 spelling list are spelt correctly. When writing, the pencil is held correctly, and all letters are written correctly, starting and finishing in the same place. Some capital letters are written correctly. (T)

Capital letters used to determine proper nouns (GP)

The description is written as a list of sentences. The sentences make sense, making the assumption that the sentences have been spoken before writing. (C)
