

YEAR 3
WORKING AT THE EXPECTED STANDARD

How to keep your dog happy and healthy

Transcription –

Spelling is mostly accurate. Some words that are often misspelt, are spelt correctly.

Composition –

Sentence structure – mainly compound sentences joined with and, so.

Evidence of looking at examples of explanations because the structure is in place.

Work is organised using headings.

Work is drafted into short paragraphs.

Handwriting –

I am beginning to join my letters when writing.

To keep your dog happy and healthy you will need to get a dog bowl and fill it up with freshwater so they are healthy and happy and you need to fill it up everyday even put some dog food every day. When dogs are hungrey or thirsty they can come and eat there food or drink there fresh water.

Food or water

Dogs always need food or water they always need dog food and fresh water. Don't give your dogs human food they will be sickh so give them dog food all the time and fresh water.

A warm bed

Dog can't sleep on the floor because it is cold so they will need a warm and cosy and a cummfy bed. They might Have a basket, a cave, a bed or a dog house.

Exercise and play

Dogs need a walk with somebody in the house so they are happy and healthy every day. Make sure if you go to the shop you need to take your dog with you so always take you dog when you go some where. If you don't go with them they will be lonely.

VGP –

Conjunctions – so, and, when, because

Wide range needed to achieve expected e.g. if, although, however

Work is beginning to be edited to correct vocab and other errors.

I have used a dictionary to correct my spelling.
