School Resources

• super subordinate clause conjunctive phrase
The school contains a range of human resources such as first-aiders, with qualified training, and a range of teachers and teaching assistants (TA's) from Nursery to Year 6. The Valley also has modern technology to help your child learn easier. If your child were to arrive at this school, they would be taught in an easy and modern way, following the International Primary Curriculum (IPC) and helping the children reach their personal targets and complete government-approved work. ✓

Adopts a suitable formal tone. (C)

Disabilities

• parenthesis
The Valley (host) caters to a range of children and children with disabilities often arrive at the school. As a result, the school must help these children to learn @ like any other child whilst helping them get on and school. Due to this, the school has a working lift (the only primary school in Bolton to own one) and all handicapped children disabled. ✓
