

# A FRIEND LIKE YOU

*Cinders: Oh I know a better song than that!*

CINDERELLA  
CHORUS *I'm glad to have a friend like you,  
Buttons I know it's true, you're there for me.*

BUTTONS  
*I'm here and we're a funny pair,  
Cinders you know I care about you.*

*BUTTONS*

- 1 I remember when you first became my friend,  
We'd dream of who we'd like to be.  
Many were the days we played our games of make-believe.

*CINDERELLA*

You would be the cowboy racing down the railroad,  
Off to set a poor girl free!

*BOTH*

We'd ride off together in the sunset, you and me!

CHORUS

*CINDERELLA*

- 2 You're the dashing prince, got turned into a frog –  
An evil act of sorcery.

*BUTTONS*

You're the lucky girl who plants a kiss upon my cheek!

*CINDERELLA*

I would be the princess locked up in a castle,  
Nobody to rescue me.

*BUTTONS*

I would be your knight in shining armour, you'd go free!

CHORUS x 2 (*both sing second time*)

*Cinders/Buttons you know, I care about you.*
