

A TON OF LOVE

M. Bunn: Ladies please! We need to get started. I'm going to need plenty of help with this. A wedding cake is a tricky thing to get right.

BAKER(S), UGLY SISTERS & CHORUS

- 1 If he wants a wedding cake,
That's exactly what we'll make.
It may take time but it's just fine,
That's what it takes!
It's a complicated list,
Lots of things you mustn't miss.
This recipe will guarantee
Just a little lift!

*CHORUS Weigh it, sift it, check it's fresh before you put it in,
Use the best ingredients and grease the baking tin!*

- 2 Take a tablespoon of laughs
And a soppy photograph.
Add common sense, try compliments
And you'll go far!
Take a healthy dose of trust
(And a pinch of fairy dust).
There's one more thing you must put in,
It's a ton of love!

CHORUS

- 3 Take a pair of listening ears
And a tissue for your tears,
Three spoons of grace improves the taste
For many years.
Take a bucket load of hugs,
You can never have enough.
There's one more thing you must put in,
It's a ton of love!

CHORUS

- 4 *Repeat verse 1*
