Friday	Piano lessons for named children Pantomime Show : 7pm Children to be here by 6.40pm

On Tuesday the Invictus Games athlete, came into school and worked with every class. Please ensure you bring the sponsorship money in as soon as possible – thank you. We can then reveal how this will be spent next year.

On Wednesday morning an actress from a company called: Perform, came to transform the school hall into a world of interactive Fairy Tales. The children in the nursery and Willow Class all had a 30-minute session per year group to become fully immersed in stories and performance – all led by a very excitable fairy!

On Wednesday the children all enjoyed their final transition events – either to secondary school, their next classroom or for our new children a visit to Willow Class.

On Thursday, Oak Class went by train to Brighton as part of their City topic. Their highlight was the pigeons attacking the snack time!! Thank you to Mrs Goodge and Mr Syred and Mrs Crawford for helping on the trip and for the school staff for all of their organisation!

Today Beech Class performed their drumming to some families who were able to attend. They were amazing! their teacher Mrs Van- Lockven said that off all the classes she teaches in West Sussex – they are her favourite group!

PANTOMIME

Please remember that tickets for the Pantomime are available for families whose children are in the show, using the link that was sent earlier this week. On Monday 8th I shall reopen the ticket availability at 7pm.

Once the tickets are gone – I will have no further availability. It is important that we stick to the numbers as set out by the Fire Brigade. **These tickets are not available for families whose children are not in the show.**

Please remember that your child needs to be back at school to change at 6.40 pm – please do not be late. There will be refreshments available – **please bring some change with you.**

Have a wonderful weekend – *Theresa Smyth* and the Singleton Team.
