£6 per person

Prizes to be won, interval bingo and  
food and drink available on the night

---

To reserve a table please contact  
Emily on 07919 430624

It has been a very busy week in school with 2 trips and a Mother's Day Worship led by Willow Class this afternoon.

The children in Year 1 and Reception had an exciting trip to Droke Farm. Esther Jewitt organised and led a fantastic morning. The children learnt how the needs of animals are met, how animals grow and change, as well as being able to sit on tractors, play with the hay, make butter from cream and create bird feeders.

As huge thank you to Esther for this event. The children were full of tales when they got back.

The children in Beech Class went on a trip involving a very long walk and a short bus ride too! They walked from Bishop Luffa to Lavant, looking at where the railway used to run from and to. This formed part of the history curriculum looking at the invention of rail travel. They showed great stamina and determination - though I think the bus ride at the end was a relief for some.

Mother's Day Worship was led by Willow Class today. They retold the story of Hattie Peck a hen unable to have a chick of her own. She made a decision to rescue abandoned eggs from mountains, under the sea, villages, town, cities, burning building and caves. Once hatched Hattie had quite the family of her own, including penguins, snakes and hedgehogs. But everyone agreed she was indeed the perfect mum.

The children sang a song before sharing a class prayer which they had written, thanking God for their wonderful mums. There was then a very special video, showing portraits of their mums!

#### Golden Book:

This week we celebrate children who have given the gifts of kindness, patience and service to others. In worship on Monday, we talked about gifts which we have received from others. The items may have been expensive, they may have cost only a little or maybe nothing at all, but to the recipient are priceless.

So, to Francesca (Y2), for her gifts of enthusiasm and patience, to Jack (Y4) for his gift of friendship and support, to Liliya (Y5) for the gift of patience whilst waiting for others to finish and to Immy (Y6) for her gift of encouragement and patience - we thank you and say WELL DONE!

We hope that all of our parents/carers who have the role of 'mothering', remember how important you are, how valued you are and how loved you are by your children.

Have a wonderful weekend.

*Theresa Smyth* and the Singleton Team
