Friday	P.E. day for Beech class

Thank you and Fund raising goals!

Huge thanks to Emily (George and Finley's mum) who organised a brilliant Quiz night at the pub on Monday evening. A fantastic £436 was raised to go towards the funds for a new building. This will form part of a redesigned Prayer and Reflective Space. We would love to get to the point of being able to afford a Shepherd's Hut, which can then be used as a space for groups or an entire class of children. If you know of any 'benefactors' who would like to be able to contribute and make a significant difference to a school, please do share this goal with them and ask them to contact school.

Reminder for Beech Class

This week Miss Cain had to make the difficult decision to stay onsite for Forest School because children were not correctly dressed to go into the woodlands. Trousers / long sleeves need to be worn to protect the children's skin when climbing / walking through the brambles and try to prevent ticks from attaching.

Cricket Congratulations

On Tuesday Miss Kitka, Miss Pavitt and I had the pleasure of taking all of Year 5 and 6 girls to an interschools cricket festival. The activities were designed to teach the skills needed to play cricket whilst having plenty of fun. We had the opportunity to play a mini game against other schools which certainly became quite competitive - our girls were very strategic! Well done to all of the girls. Thank you to families for collecting and to Liliya's mum for being so thoughtful and bringing ice creams for a treat!

Golden Book

Congratulations to George (Y3) for his positive attitude towards self-improvement in learning - wanting to improve is the key to success - brilliant! Primroze (Y5) and Charlie (Y6) were incredibly enthusiastic when Alan visited us to deliver the STEM online safety learning - he commented on your contributions so well done and thank you! Arlo (Y1) has had a fantastic week. He has demonstrated a great improvement in his focus and listening and in his learning behaviours when working with others. Well done Arlo!

Have a great and slightly longer weekend.

Theresa Smyth and the Singleton Team
