| Friday | NO P.E. kits today |

P.E. day swaps for this week: please check above very carefully: all children must be in P.E. kits on Tuesday

HOT WEATHER

During this hot weather we are taking the following actions to mitigate risk:

- classroom doors are opened first thing to cool the rooms and then closed to keep out heat
- playtime in the morning is at 10 am, before it becomes too warm
- children will be encouraged to stop and 'sip' throughout the day
- lunch play will not include any physical activity – we shall go outside under the shade
- the hall will be used for Willow Class instead of the canopy in the afternoon
- we will do shorter burst of learning in the afternoon, with breaks to support children's regulation

Can all parents ensure children have water bottles in school and **do not send** your child into school with a cardigan / hoodie / jumper etc.

Golden Book

Congratulations to Hollie F (YR) who has demonstrated brilliant learning behaviours during adult led learning. She focuses on the task and manages the challenges with perseverance and determination! Well done to Ivy-Grace (Y2) for her kindness and loyalty to other children. She sees where others may need some compassion or support and offers it without being asked – a great example to us all. Congratulations to Jack (Y3) for his use of the correct mathematical language when explaining his understanding of the 24 hour clock – brilliant! Finally, congratulations to Kayden (Y5) who has also been demonstrating his mathematical understanding and knowledge. He has been seeking to challenge himself in each lesson – well done!

Have a lovely weekend Theresa Smyth and the Singleton Team

Year 6 News Report

This week, Willow class have been working on their water colour skills during art.

Reception has been learning about doubling and year one has been learning about grouping in maths.

Throughout the week year two have been writing dragon stories and reading Grim and Dragon Machine for their guided reading.

In DT, Beech have been sewing and in English they have been writing and reading cautionary tales.

On Monday everyone participated in the sports day with Kites racking up the most points. They became holders of the house cup.

Oak class have been working on shapes in maths and news reports in English and they are reading High Rise Mystery in guided reading.

All of KS2 are all looking forward to going to the West Wood Fair this afternoon.
