Monday 21<sup>st</sup> July: Willow Class music performance - parents invited at 8.50am

Tuesday 22<sup>nd</sup> July: Final day

This week has provided Beech Class and some of Oak class with the opportunity to take part in a variety of sports.

Beech Class played in a Golf Tournament alongside several other locality schools and the children from Oak class attended an interschools athletic festival at Bishop Luffa.

As always the children conducted themselves as we expect and behaved impeccably. They encouraged, cheered and supported one another as well as trying their best in all events.

When I asked if the children if they had spotted other children they knew from clubs out of school, several hands went up. Freddie (Y6) was able to tell me several children he knows from various sports clubs he attends. We talked about how useful attending clubs and groups out of school really enables you to build a wide circle of friends, which supports children as they head off to their secondary schools.

Thank you to our families for organising picking up from other locations. It really does help us to attend the sporting events, which we know the children enjoy.

## GoldenBook

Congratulations to Ben(Y2) for being such a supportive learner to a friend this week. Your selfless act of support meant a great deal to one of your friends - thank you. Well done to Margot (Y3) for demonstrating excellent sporting behaviours at the Golf festival. You knew that by cheering other team members they would feel confident and congratulating them would build their self-esteem - brilliant sports leadership. Congratulations to Maja (Y6) who also demonstrated excellent sports leadership skills - saying to other competitors 'you can do it' and then celebrating when they did! She also won her sprint race against other Year 6 girls - brilliant!

We hope you all have a wonderful half term break - whatever you are up to.

We look forward to welcoming you back on Monday 2<sup>nd</sup> June for the final half term.

Theresa Smyth and the Singleton Team
