## SAT Tests Wow Year 6!

Huge congratulations to our Year 6 children on completing their tests this week. They have worked very hard in the run up to the tests and were very calm and positive in their approach to each paper. Thank you to the Team and other children in school who were all so adaptable over the week. And of course, thank you to Miss Boyd for ensuring the children were ready to do there very best!

## Bikeability

Next week our Year 6 children will have their bikes in school. The bike racks will therefore only be available for Y6. The bikes can be locked in the racks overnight as the front gates are locked.

## Friday 23<sup>rd</sup> May

Our next whole school topic is Wonderful Woodlands. In preparation for this topic, we are going to take all of the children for a walk next Friday afternoon, up into Levin Down and along to the woods. Please ensure you child/ren are dressed in trousers and long sleeve tops and trainers. If it is sunny - remember sun cream / hats.

## Golden Book

Congratulations to Charlie B (Y5) for being an incredible friend to another pupil in Year 5 this week - your kindness in a moment made all the difference! Well done to Liliya (Y5) who showed initiative and thoughtfulness towards a teacher when managing the change of classroom arrangements during SATs week - it is clear that you are going to be a brilliant Year 6 role model! Congratulations to Clementine for showed incredible attention to detail in her artwork this week. Her portrait of herself shows the amount of focus and care and attention you showed - brilliant! Finally congratulations to Anastsiia (YR) who was incredibly focused in Miss Boyd's club on Monday and persevered to complete a complicated puzzle - well done!

Have a great weekend - enjoy the sunshine!
