School Trip Tuesday

We are looking forward to the whole school trip on Tuesday. the children will leave once the register is complete and all checks have been done. this really is not a day for anyone to be late as we do need to leave on time.

Please ensure your child:

- has a packed lunch and full water bottle in a small back pack **water can be replenished through the day**
- a snack for mid-morning
- a sun hat
- sun cream: please put on before school and send spare if you want them to re-apply
- trainers must be worn – no sandals

Having spoken with Miss Cain, **we have taken the decision that with the forecast for Tuesday the children CAN wear shorts and T-Shirts** if they prefer. they will not be leaving the path ways, to reduce the risk of ticks / irritation by any plants.

Collection is at normal time. If there is a delay in transport, we shall get a message to you via email and I shall ask someone to put this on WhatsApp and ask parents to alert each other.

This will only happen if there is a traffic jam beyond our control. we have left an hour and half for the return journey – so it would have to be a significant jam!

Take a Tin Day

Huge thanks to all of the team in school and especially Miss Cain for leading the event on Tuesday. Thank you to all of the families who came to sample the food and see the work the children had done. I wonder if anyone has had a Twirl chocolate bar since Tuesday – if so – remember at least 2.5 minutes of running to burn off the sugar!

Final Golden Book of the Year

Congratulations to Scarlett (YR) for her fantastic phonics progress and her independent writing – amazing! The next congratulations goes to 2 sisters! Well done to Jess(Y4) and Immy (Y6) for both showing the school rules – always ready, always respectful, always responsible. I imagine your parents will be very proud tomorrow!

Have a lovely weekend

Theresa Smyth and the Singleton Team

This week the school has been very busy and fun.

On Friday evening, the year sixes are going to the bowling alley in Chichester and Pizza Express to celebrate leaving primary school and moving onto secondary.

This week, as you know, Festival of speed is happening. So, on Thursday and Friday the whole school went out onto the field to watch the red arrows.

On take a tin day (Thursday) the year R's made fruit skewers and year one and two made fruit tarts. Beech class made tortilla pizza and Oak class made potato and corn fritters. During P.E, the school looked at how much exercise you need to do to burn of certain sugary foods.

Beech class performed their recorder skills to their parents that they learnt over the past term.

Willow have been learning about habitats of certain animals.

This week in oak they have been publishing their reports about transition. Year five have been writing about having their new teacher in school and Year six wrote about their new secondary schools!

On Friday afternoon, Willow class and Oak class are coming together to do some paired reading.

Enjoy your weekends!

Noah and Charlie
