There are a couple more events which are being finalised and as soon as we have confirmation, we will be in touch with dates, venues and times etc.

Bikeability

Congratulations to all of our Year 6 children who took part in Bikeability and successfully passed Level 2. Bikeability is an important programme that helps children develop the skills, confidence, and awareness they need to ride their bikes safely on the road. It supports their independence, and teaches them how to be responsible and safe road users as they prepare for the next stage of their schooling. Well done to everyone involved!

Worship

This half term, our worship focus is **Friendship**. As children prepare for new classes, transitions to secondary school, and welcome new friends into Year R, we are exploring how to build, value and repair friendships. This builds on last half term's value of **Forgiveness**.

This week, we reflected on how God is woven into our lives as a guiding friend, supporting us as we form positive and caring relationships.

Golden Book

Congratulations to Freddie (Y2), who has shown fantastic focus this week in his writing inspired by The Minpins. His positive learning behaviours and ability to concentrate are enabling him to achieve some great learning. Well done, Freddie!

Well done to Abel and Malachi (Y4), who have both shown great determination to improve their presentation this week. Following a whole-class discussion about the importance of how we present ourselves and our learning, they both took it upon themselves to improve aspects of their writing without being prompted. Fantastic effort from you both!

Finally, well done to Ellis (Y5), who has ensured that this week he has taken the school rule and expectation of responsibility into his relationships and learning behaviours in the classroom. Miss Spencer said that it is a "pleasure to teach you", and highlighted the positive impact you are having on others as well. Keep up the fantastic work, Ellis!

Have a wonderful weekend

Theresa Smyth and the Singleton Team
