Tuesday	P.E. Willow Class Forest School Beech Class Year 6 Cycling Proficiency: remember helmets.
Wednesday	P.E. Beech Class Year 4,5,6 all girls to Bognor: cricket event (letter sent / on MCAS)
Thursday	Forest School Willow Class
Friday	P.E. Oak Class

Congratulations Dolly, Seren, Liliya and Spencer!

Huge congratulations to our fabulous runners on completing their final race in Chichester. We could not be prouder of you all. Regardless of times or placings, you showed real courage in taking on something new and represented Singleton brilliantly throughout. Well done!

Special mention to Seren, who was determined to place in the top 10 - she came 9th out of 106! This showed utter determination and grit and I know her family were very proud.

If you are currently in Year 4 or Year 5, remember that this race is an annual event – and we would love to see more than four children representing our school next year!

Recorder Concert

Well done to all the children in Years 1 and 2 for their wonderful recorder concert. The children performed with confidence and improved focus, clearly showing the progress they have made in their musical learning this year.

Thank you to some our families for being such a supportive and encouraging audience. Your presence and applause make a huge difference to the children and help build their confidence as performers. A lovely occasion and a real celebration of their hard work.

Hopefully more families will be able to put the date for the Summer 2 concert in their dairies so we have a fuller audience. Do remember that if you are unable to attend yourself you can always ask a friend or family member to attend instead.

Holy Week and Easter Worship

In this final week before Easter, the children have been focusing on the important days of Holy Week. They explored the events of Palm Sunday, the Last Supper, Good Friday and the joy of Easter Sunday, thinking carefully about their meaning and why this week is so important for Christians.

The week finished with worship led by Reverend Sarah, during which the children confidently shared facts they have learned. Reverend Sarah also gave each child a palm cross in preparation for Palm Sunday. The children have been challenged to keep their crosses safe over the coming year so they can be returned and made into the ashes for next year's Ash Wednesday.

The whole school sang and signed an Easter hymn together. It was a very special and reflective way to end the term.

Thank you to the PTA for organising the eggs for this year's Easter Hunt. It was a perfect way to end a very short but hectic half term, and the children had a wonderful time running around the grounds trying to locate their egg with their name on!

Year 6 hoodies were also handed out today, beautifully wrapped and ready to open. The children were absolutely thrilled to see their names on the back of their jumpers. They are able to wear their hoodies on P.E. days until after SATs, after which they may be worn every day as a special reminder of their final term with us.

Golden Book

Children who have featured in the Golden Book this half term enjoyed a traditional Easter egg rolling competition. There was lots of excitement as the eggs raced down the slope, with Sreen's and Noah's eggs rolling the furthest and being declared our winners.

A fun and memorable (bit soggy and slightly stinky) way to celebrate their achievements – well done everyone!

Easter break

As we reach the end of the shortest, but certainly one of the busiest, half terms, I want to pause and recognise the incredible hard work of the whole team.

Their dedication ensures that your children's education is not only full and purposeful, but also enriched with wonderful opportunities. Thank you to every member of staff for the care, commitment and energy they bring each day.

I hope you all have a peaceful and joy-filled Easter break, whatever you may be up to.

Theresa Smyth and the Singleton Team
