Wednesday	Music lessons for Beech and Oak Classes
Thursday	Forest School Willow Class: FOREST SCHOOL CLOTHING
	P.E. for Beech Class
Friday	P.E. day for Oak Class

Summer Term

I hope you all had a wonderful half term and enjoyed the most wonderful sunshine.

Welcome back to the summer term! It's always a very busy time of year, and our calendar is already full of exciting opportunities for the children.

There is often a perception that schools begin to wind down as we approach the summer holidays, but the opposite is true. This term is packed with report writing, data meetings, transition events, home and school visits, as well as assessments and statutory testing.

As a result, it can sometimes be more challenging to schedule meetings, and there is less flexibility than at other times in the year. However, we will always do our very best to accommodate families wherever we can.

PTA Events

The PTA organised a fantastic quiz on Tuesday evening, which was brilliant fun for everyone involved. A huge thank you to Pennie for organising such a great event, to Clarissa for being an excellent quizmaster, and to everyone who came along and supported. We are delighted to share that the evening raised an amazing £250 for our school – a fantastic achievement!

Please do remember our upcoming '**Singletfest**' event on **Saturday 13th June**, from 12–3pm. It promises to be a brilliant afternoon, with plenty for the children to enjoy, as well as entertainment and a drinks tent for the adults. The children may even be planning a surprise for the day, so we would love to see as many families there as possible – especially at 1pm!

Worship this term

Our worship theme this term is **respect**, rooted in our Christian values. Through our collective worship, we will explore what it means to show respect for one another as part of God's family, to listen with care to different points of view, and to understand and value people of all faiths and beliefs.

This links closely to the Bible teaching, "Do to others as you would have them do to you" (Luke 6:31).

As we approach the end of the academic year, we will also encourage the children to reflect on all that they have achieved. This includes their academic progress, as well as how they have grown as individuals - developing as kind and supportive friends, thoughtful learners, and valued members of both their families and our school community.
