## GAS Sports Day – A Fantastic Afternoon!

Our children had a brilliant time taking part in the GAS Sports Day alongside three other schools. A huge thank you to Miss Cain and Miss Kitka for supporting the children during the afternoon. It was wonderful to hear Mr Rogers ( Boxgrove's P.E. lead) asking the children what they wanted to get out of

the afternoon – and their number one goal was clear: to have fun. They certainly achieved this, but they gained so much more too.

Throughout the afternoon, the children demonstrated:

Excellent teamwork

Resilience when things didn't go to plan

The ability to learn from others, improving their own performance by observing different team tactics

True sportsmanship and encouragement of one another

As this event is designed just for the children, without the pressure of performing for an audience, they were able to fully enjoy the experience and grow in confidence.

Well done to all of our children for representing the school so positively.

### **Worship this term**

In worship this week, we have been considering how we respect differences. Thankfully, unlike robots, we are all uniquely and wonderfully different, and everybody has something valuable to share with others. Respecting differences is an important lesson we need to teach our children, enabling them to manage their future relationships and places of work.

As the Bible reminds us, "I praise you because I am fearfully and wonderfully made" (Psalm 139:14). This helps us to remember that each person is created by God with care and purpose, and we are called to value and respect one another.

### **Golden Book**

Well done, Ava (Y2), for your growing independence in writing and your determination to use your Year 2 grammar skills accurately. You are becoming increasingly confident and should be very proud of your effort!

Well done, Gilbert(Y3), for your brilliant tenacity at G.A.S. Sports Day. Despite the challenge of running while balancing a tennis ball, you kept going, didn't give up once, and smiled the whole way—what a super effort!

Well done, Charlie (Y6), for your determination to improve important pieces of your English, resulting in excellent progress. Your readiness to learn and your desire to improve for yourself are truly commendable, keep it up!

**Singletfest** was an incredible event and thank you to everyone who came along and made it such a special day. It was wonderful to see our community coming together.

A huge thank you to our amazing PTA for organising the event, and to all those who supported so generously: John for bringing the tractor; Sam and Clarissa for selling a fantastic number of raffle tickets; Pennie for running the play area; Kate for organising the Pimm's tent; and Katie for arranging gazebos, refreshments, and quite literally being everywhere!

We are also very grateful to all PTA members who helped prepare in advance and supported on the day.

A particularly special thank you to Emily Lerwill, who took a small idea and made it grow into something truly fantastic, your community spirit and enthusiasm made all the difference.

Thank you to all families who attended, and to the children for their brilliant 'flashmob' singing. We raised approximately £1,900, with a profit of around £1,500 - an incredible achievement. We are also very grateful to the Parish Council for their generous £250 donation, which helped ensure that all children's activities were free.

Finally, thank you to our staff team who gave up their Saturday to support the event. An amazing day - thank you everyone!

Have a wonderful weekend.
