

SPORT EXPENDITURE REPORT 2018/19

The government has pledged money to all primary schools called the PE and Sport Premium. The money is designed to be spent to help primary schools improve the quality of the PE and sport activities they offer their pupils.

How much PE and sport premium funding we received for this academic year and a full breakdown of how we've spent or will spend the funding this year

This year (2018-19) Singleton C.E. School intends to use the £16,540 grant for:

- enabling sport coaches for football, cricket, gymnastics and multi-sports to work with different age groups
- purchasing additional swimming teachers
- subscription to the Locality Sports Partnership
- expanding the number of competitive events the children can be involved with including subsidising after school sports clubs (*Multi-Skills Club – Spring & Summer 2019 – 20 pupils*)
- CPD for staff:
 - Gymnastics teaching (all staff)
- funding one-off sporting opportunities eg. Rowing Festival (Nov 2018), Year 1 & 2 Football tournament (Autumn term 2018), Cross Country event (January 2019), Ultimate Frisbee event (February 2019), Dodgeball event (March 2019), Mini Olympics (April 2019), Striking & Fielding event (April 2019), whole school activity morning with Y8 Sports Coaches from Regis School linked to Rights Respecting School Award (Summer term 2019) – ½ day KS1 RRS Festival, ½ day KS2 Ultimate Frisbee Festival
- providing any resources/transport as needed for swimming lessons and locality sports events

The effect of the premium on pupils' PE and sport participation and attainment

Last year (2017-18) Singleton C.E. School spent the £18,677 grant on the following:

- enabling sport coaches for football, cricket, gymnastics and multi-sports to work with different age groups
- purchasing additional swimming teachers
- subscription to the Locality Sports Partnership
- purchase and maintenance of play equipment – traverse/climbing wall erected on the field in Spring term 2018
- expanding the number of competitive events the children can be involved with including subsidising after school sports clubs (*Rounders Club – Autumn 2017 – 20 pupils, Multi-Skills Club – Spring 2018 – 20 pupils*)
- CPD for staff:
 - Tennis teaching (SI)
 - OAA/Orienteering (TY & HW)
 - Ideas for using traverse wall (all staff)
- funding one-off sporting opportunities eg. ice-skating trip (Nov 2017), Huff & Puff programme for EY (Spring term 2018), whole school activity morning with Y8 Sports Coaches from Regis School (Summer term 2018)
- providing bespoke programmes for pupils eg. Bronze Ambassadors (two Year 5 pupils trained during the year)
- providing any resources/transport as needed for swimming lessons and locality sports events

Impact and how we will make sure these improvements are sustainable

Raising children's interest in physical activity

We funded the offer of every child being able to attend a P.E related after school club at least once during the year. Football, multi-skills, fun fitness and cricket were on offer at different points in the year. Across these clubs 90 places were taken up by pupils from Yr 2 – 6.

Supported curriculum

This was done by enabling all children from Y2-Y6 to be taught a range of sports skills with coaches from Southcoast Sports and hiring a greater number of swimming teachers. This had a positive effect on standards and of the 2019 Y6 cohort of 13 pupils seven pupils could swim competently, confidently and proficiently over a distance of at least 25 metres; they could use a range of strokes effectively and could perform safe self-rescue in water-based situations.

Providing equipment and resources

Frisbees were purchased and necessary equipment for sports day.

Providing competitive opportunities

All children across were able to participate in some competitive events and many of the KS2 children completed in several events. Some of the grant was used to transport pupils to these events ensuring access to competitive opportunities.

Further to the above:

- Staff confidence and ability to deliver quality PE lessons has grown and developed ensuring sustained improvements going forward. Meetings held in June 2019 to plan for continued and developing provision during the 2019/20 academic year.
- Quality of PE improved – good use of coaches to deliver the curriculum enabling the children to achieve
- Opportunities for all children to participate in competitions/matches has increased.

Approved at the FGB meeting 8/7/19
